

Learn More About HealthCare Partners!

Attend our upcoming WebEx series to learn what makes HealthCare Partners different and how HealthCare Partners is positioned to provide quality care to our patients and your clients.

How do I view the WebEx?

We'll be sending out reminder emails as we get closer to each scheduled WebEx. Simply click on the link to access the live WebEx and make sure you stick around until the end for the interactive Q&A. If you can't find the email, please visit [MedicareWithBetterCare.com](https://www.MedicareWithBetterCare.com). During the presentation, simply submit your questions in the comment field and we'll address them at the end of the presentation.

What if I'm unable to attend?

We will be recording each WebEx and post it on the HealthCare Partners broker landing page later that day. You'll be able to view the presentation on your own time and even share it with your clients. If you ever have questions about the information, our dedicated broker hotline is a quick call away. We're available Monday – Friday, 8am – 5pm at [702.997.1687](tel:702.997.1687).
