MeetHCPNV.com | 702.978.7644 (TTY:711)

For more information, visit medicare.gov or call 1.800.Medicare

Does your plan fit your health care needs?

Here's an easy-to-understand chart comparing the benefits of Original Medicare and Medicare Advantage:

Original Medicare	Benefits	Medicare Advantage
There's no limit on how much you pay out-of-pocket per year unless you have supplemental coverage.	Cost	Plans have a yearly limit on out-of-pocket costs. Once you reach a certain limit, you pay nothing for covered services the rest of the year.
Covers medical services and supplies in hospitals, doctors' offices and more. Services are either covered under Part A or Part B.	Coverage	Plans must cover all the services Original Medicare covers. Plans may also offer benefits Original Medicare doesn't cover, such as vision, hearing, or dental.
You can add a Medigap policy to help pay out-of-pocket costs in Original Medicare, such as your deductible and coinsurance.	Supplemental Coverage	It may be more cost-effective to join a Medicare Advantage Plan since your cost-sharing is lower (or included). You can't use (and can't be sold) a Medigap policy if you're in a Medicare Advantage Plan.
You'll need to join a Medicare Prescription Drug Plan for coverage.	Prescription Drugs	Available plans may include drug coverage.
You can go to any doctor that accepts Medicare.	Doctor and Hospital Choice	You may need to use providers who participate in the plan's network. Find out how close the network's doctor or pharmacies are to your home. Some plans offer out-of-network coverage.
See the quality of care providers (and facilities) give their patients at medicare.gov .	Quality of care	The Medicare Plan Finder at Medicare.gov/find-a-plan rates plans.
Doesn't generally cover care outside the U.S., but you may be able to buy supplemental insurance offering travel coverage.	Travel	Plans usually don't cover care you get outside the U.S.

We can connect you with a licensed insurance agent who can help you understand your options. **Call us at 702.978.7644 (TTY: 711) or visit [MeetHCPNV.com](https://www.MeetHCPNV.com) for more information.**

* If you have other types of health or prescription drug coverage, check to see how it works with the type of coverage you're considering before you make any decisions or changes.
