information

Thoughtful clinic features ensure a safe, comfortable experience.

- Located in a standalone building on the first floor for a simple car-to-care transition.
- Comfortable waiting room furniture helps set the tone for a visit that is all about you.
- Automatic front entry doors, lower height countertops at the front desk, wide hallways, and zero threshold exam room doorways are easy for wheelchair and walker users to navigate.
- Grab bars in bathrooms, vitals, and lab stations help you move through your visit safely.
- On-site care manager collaborates with you and your provider to ensure you understand your health conditions and have the tools and resources to follow your treatment plan.
- On-site lab draws so you can get essential screenings done in one visit, without having to make another appointment.

Additional Features:

- On-site licensed practical nurse (LPN) is available to help with urgent healthcare needs.
