information

## Thoughtful clinic features ensure a safe, comfortable experience.

- Located in a medical office building for a distraction-free visit.
- Grab bars in bathrooms, vitals, and lab stations help you move through your visit safely.
- Wide hallways, and oversized exam rooms are easy for wheelchair and walker users to navigate.
- On-site lab draws so you can get essential screenings done in one visit, without having to make another appointment.
- On-site care manager collaborates with you and your provider to ensure you understand your health conditions and have the tools and resources to follow your treatment plan.
